THE 1980 SEASON

DOWN THE STRETCH

Montreal came to Philadelphia the final September weekend and the Expos took two of three to move one-half game up as the final week of the season rolled around.

The Expos had six games left, the Phillies seven.

The Phillies won four in a row over the Cubs, while the Expos were taking three from St. Louis. It all boiled down to a three-game season in Montreal's Olympic Stadium, Oct. 3-4-5.

Schmidt drove in both runs in a 2-1 Friday night victory, Ruthven's 17th triumph and McGraw's 20th save. It gave the Phillies a one-game lead over the Expos with two to go.

Schmidt and McGraw combined again the next day to give the Phillies their fourth division title in five years. McGraw worked three scoreless innings to pick up the win. Schmidt's 48th homer with Pete Rose on base in the 11th was the margin of victory, 6-4.

LEAGUE CHAMPIONSHIP SERIES

Three previous years, the Phillies were on the brink of winning the National League pennant. Each time, it slipped by. In the 11 previous LCS games, the Phillies scored first in seven of those contests. 1980 was different as the Phillies were dubbed the "Comeback Kids" for their late-inning heroics.

Game 1—Trailing, 1-0, Phillies won on Luzinski's 2-run HR in sixth. Gross added insurance RBI single in seventh as Carlton got win, McGraw a save.

Game 2—Trailing, 1-0, after three, Phillies scored twice in 4th to take a lead which stood until the seventh. Game wound up 3-3 after nine. Astros scored four times in 10th. Phillies added one but fell short, 7-4.

Game 3—Brilliant pitching by Christenson (6 innings) and J. Niekro (10 innings) kept both clubs off the scoreboard. Walling's sacrifice fly gave Houston a 1-0, 11-inning victory. Astros led series, 2-1.

Game 4—Trailing, 2-0 after seven, Phillies scored 3 in eighth, Astros tallied tying run in ninth to send game into extra innings for third straight game. Luzinski doubled in Rose with winning run and then romped home with insurance run on Trillo's double. Rose scored winning run by bowling over Bochy at home plate.

Game 5—Trailing, 5-2, Phillies came back again to score 5 in eighth and then watch Houston rally for two runs in their turn of the same inning. Again, extra innings. Two perfect relief innings by Ruthven earned the win as Maddox' two-out single drove in Unser and Phillies won first National League pennant since 1950.

WORLD SERIES

Game 1—Trailing, 4-0, to Kansas City, McBride's three-run homer capped a five-run third and Phillies emerged a 7-6 victor. Walk got the win, McGraw the save.

Game 2—Trailing, 4-2, after seven and one-half, Phillies won with four-spot in the eighth. Unser, McBride, Schmidt and Moreland drove in the runs in the big inning as Philadelphia took 2-0 hold on the Series.

Game 3—Trailing, 1-0, after one, Phillies came back with a run in the second. They fell behind again but tied in the eighth and it's extra inning time again. Aikens' single to center gave KC a 4-3 victory.

Game 4—Royals evened series at 2-2 with 5-2 victory. KC sent 10 men to the plate in the first inning and four scored.

Game 5—Trailing, 3-2, after eight, Phillies erupted to win, 4-3, with two runs in ninth. Unser tied game with pinch double and scored winning run on Trillo's single off Quisenberry's glove. McGraw fanned Cardenal with bases loaded and two out in last of the ninth.

Game 6—Schmidt's two-run single in the third sent the Phillies on their way to their first World Championship in the 98-year history of the ball club. Final score was 4-1, Carlton got the win, McGraw the save. Tug got out of bases loaded jams in each the eighth and ninth innings including a strikeout of Wilson to end the game.

R. R. M. (RULY) CARPENTER III

R. R. M. (Ruly) Carpenter III became President of the Philadelphia Phillies on Nov. 22, 1972, succeeding his father, R. R. M. (Bob) Carpenter Jr., who stepped up to Chairman of the Board.

At the time, Ruly was 32 years of age. It made him the youngest club president in the big leagues. Similarly, Bob Carpenter was the youngest president in the majors (28) when the Phillies were purchased from William Cox, Nov. 23, 1943, by Bob's father.

Ruly played three years of varsity baseball and football at Yale University, from which he graduated in 1962 with a B.S. Degree in American Studies. In football, he was a two-way end on the 1960 undefeated Yale team. He captained the baseball team his senior year.

Following graduation, Ruly served as assistant baseball coach at the University of Delaware while taking business administration courses there.

Before Yale, Ruly lettered in football, baseball and basketball at Tower Hill School in Wilmington, Del. He graduated from Tower Hill in 1958.

Ruly began working in the Phillies front office in 1963. He spent two years in the accounting department before moving on to the minor league system where he worked under Paul Owens and Dallas Green. He was the club's secretary and assistant treasurer at the time he assumed the President's duties.

Ruly, born June 10, 1940, is married to the former Stephanie Conklin. They have three children, sons Bobby and David and a daughter, Lucinda. The Carpenters reside in Montchanin, Del.

PAUL OWENS

The Philadelphia Phillies have become one of the most respected and formidable organizations in professional baseball both on and off the field. One of the main reasons is the excellent input of Paul Owens, the Phillies Vice President, Director of Player Personnel.

Owens took over the role of General Manager from longtime baseball man John Quinn on June 3, 1972, and began transforming the Phillies from sixth place finishers to contenders to eventual champions.

With Danny Ozark at the helm and Owens supplying the talent, the Phillies won Philadelphia's first "title" since 1950 when they captured the first of three consecutive Eastern Division Championships in 1976.

Paul Francis Owens, 55, was born on February 7, 1924 in Salamanca, N.Y. He began his professional career as a first baseman in the St. Louis Cardinals chain in 1951. He was playing for Olean, N.Y., and won the Pony League batting championship with an amazing .407 average. He also played in 1952 before staying out of professional baseball in 1953 and 1954.

Owens returned in 1955 as the playing-manager of the Olean club. He was manager there for three seasons winning two more batting titles, (.368 in 1956 and .407 in 1957) before concluding his minor league managing career with Bakersfield, CA, in 1958 and 1959.

"The Pope," as he is known by his many friends, then began a scouting career moving from his native New York State to the West Coast where his territory included Southern California, Arizona, New Mexico, Western Colorado and Southern Nevada.

On May 22, 1965, he was promoted to the head of the Phillies minor league system, a position he held until he succeeded Quinn. Then on July 10, 1972, he replaced Frank Lucchesi as the Phillies field manager finishing the season with a 33-47 record.

His next move was to hire Ozark and move back upstairs to build the ballclub that would become a National League powerhouse.

In August of 1979 he replaced Ozark with Dallas Green and his confidence paid off as Dallas led the Phillies to the team's first World Championship in 1980.

Owens is a 1942 graduate of Salamanca High School. He spent three years in the service, two years in Europe during WW II as a sergeant in a U.S. Army engineering company. While in the service he met Marcelle Leclercq and they were married in Liege, Belgium on February 23, 1946.

After returning to the states, he enrolled at St. Bonaventure University graduating with a B.S. Degree in Physical Education in 1951. He was inducted into the St. Bonaventure Hall of Fame in February of 1977.

Paul and Marcelle, who make their home in Sewell, N.J., are the parents of two sons, Danny 29 and Pat 30. They have four grandchildren, Paulette (4-14-74); Caroline (6-14-76); Geoffrey (3-1-78) and Andy (2-12-79).

WILLIAM Y. GILES

Baseball has been the entire life of William Yale Giles, the Philadelphia Phillies Executive Vice President.

Born in Rochester, N.Y. on September 7, 1934, Bill moved to Cincinnati as a boy when his father, the late Warren C. Giles, became General Manager of the Reds. While attending high school and Denison University, Bill worked in the Reds' front office during the summer months for Gabe Paul, who succeeded Warren Giles as general manager. Bill graduated from Denison in 1956 with a B.A. degree and major in economics.

Following a three-year stint in the Air Force, he joined Gabe Paul as his administrative assistant in the Reds' front office. In 1960, Bill was Business Manager of the Reds' Nashville farm team in the Southern Association. The younger Giles joined Paul again in November, 1960, after Paul went on to the new Houston franchise as general manager. Bill assumed duties as the administrative assistant. During his nine-year career with Houston, Bill handled the combined role of Traveling Secretary and Publicity Director; then Director of Public Relations and Promotions in 1964 and Vice President in 1967.

Bill Giles joined the Phillies organization on October 10, 1969, as Vice President, Business Operations, as the Phillies prepared to move into Veterans Stadium.

More than three years after joining the Phils, he was named Executive Vice President, thus becoming the chief administrative officer of the club, filling in for ownership in its absence. He also is the club's chief representative in community affairs, plus sales, promotions, stadium operations, public relations, tickets, merchandising, radio and television, scheduling and cancellation and postponement of games.

By the time he had reached age 37, Bill had been through the building and opening of the fabled Astrodome and beautiful Veterans Stadium. In opening the Vet in 1971, Giles felt he had to do something normal when it came to throwing out the first ball. So, he lined up the Arco Go-Patrol helicopter to drop the first ball from high above the Vet. Phillies catcher Mike Ryan was given the task of catching the ball which he did after a slight bobble.

Giles refused to let 1971 lie. In 1972 he contracted Kiteman to fly in from the upper deck with the first ball. Kiteman crashed into the 600 level seats and weakly tossed the ball onto the field. Undaunted, Giles brought Kiteman back again the next year. This time the big human bird made it to centerfield. Then came Cannon-Man, Hugo Zacchini (1974); Cycle Man, Monique and Joseph Guzman riding a cycle on a wire above the stadium (1975); celebrating the bicentennial, Paul Revere rode on horseback from Boston to Philadelphia in 1976 with the first ball; once inside the Vet, he turned the ball over to Rocketman, who jetted himself around the inside of the Vet and in 1977, Pat Mulhern, "Parachute Man" brought in the first ball after jumping from an airplane high above the Vet.

In 1978, Bill brought in Dave Merrifield to bring in the first ball of the season. Merrifield dangled from a trapeze bar suspended from a helicopter and dropped the first ball to catcher Barry Foote.

In 1979, seven members of the Golden Knights, The U.S. Army Parachute Team, landed at seven different positions at the Vet and delivered the season's first ball.

In 1980, Giles brought Kiteman back for one more try and this time he made it to home plate with the season's first ball, possibly a preview of the good fortune the Phillies would find in their greatest season.

Bill, his wife, Nancy Kirwin, whom he married in 1954, and three sons, Michael (6-2-59), Joseph (5-11-62) and Christopher (9-27-65) live in Villanova, Pa.

GEORGE F. H. HARRISON

George F. H. Harrison, Vice President and Director of Finance, is the senior member of the Phillies executive staff, having been with the ball club since December, 1946.

Harrison came to the Phillies as controller following 15 years as a Certified Public Accountant with the public accounting firm of Coopers and Lybrand, formerly Lybrand, Ross Bros. and Montgomery. Two years later, he was elevated to Treasurer. In 1966, Harrison was named Executive Vice President in addition to his Treasurer title and elected to the Board of Directors of the Phillies.

With the minor reorganization and classification of the executive titles and duties in January 1973, Harrison became Vice President and Director of Finance, continuing his director's duties of the Board.

Born in Philadelphia on July 17, 1912, Harrison graduated from Pottstown High School in 1929 and Pierce College in 1931.

He is married to the former Dorothy Krise. They reside in Haddonfield, N.J. and are the parents of two children. Mrs. Patricia Vranesza of Vienna, Va., and G. Theodore Harrison, of Cherry Hill, N.J., who is presently Secretary-Treasurer of the Phillies.

JIM BAUMER

Jim Baumer brings to the Phillies front office a vast background in scouting and player development.

He was an infielder in pro baseball from 1949 through 1967 before turning to scouting and then a front office career with the Milwaukee Brewers.

A shortstop, Baumer was signed to a bonus contract by the Chicago White Sox out of Broken Arrow, Okla., in June of 1949. He went right to Class B baseball and finished his first pro season hitting .400 in eight games with the White Sox. His playing career was interrupted in 1952 and 1953 by the U.S. Army.

Baumer returned to minor league baseball in 1954 and played in the states through 1962. He had a brief stint with the Cincinnati Reds in 1961. From 1963 through 1967, he played in Japan with the Fukuoka Lions.

His scouting career began with Houston in 1968. Following four years with the Astros, he became the special assignment scout with the Milwaukee Brewers. Baumer then began moving up the ladder, becoming the Director of Scouting (1973), Director of Player Development and Scouting (1974) and General Manager (1975-1977).

He is credited with signing infielder Robin Yount with the Brewers.

Baumer first joined the Phillies organization in 1978 as a special assignment scout. His duties included covering the major league clubs which train in Arizona, cross-check scouting of high school and college free agent players, the Phillies minor league farm system and major league clubs on the west coast.

During September, 1980, he and Wilbur (Moose) Johnson scouted the Kansas City Royals, New York Yankees and Baltimore Orioles in anticipation of the World Series.

Baumer was elevated to Director of the Minor Leagues and Scouting on Nov. 6, 1980, replacing Howie Bedell.

Born Jan. 29, 1931, Jim is engaged to Kathy Kraft. They are being married on Mar. 13, 1980. He resides in Paoli, Pa.

JACK PASTORE

Jack Pastore is the Phillies Assistant Director of Minor Leagues and Scouting under Director Jim Baumer.

Pastore, 40, also is involved in free agent scouting prior to the January and June free agent drafts.

A 10-year employee of the Baltimore Orioles, Pastore came to the Phillies in February of 1976.

Jack, his wife Martie and daughters Patricia and Stacy make their home in Wallingford, PA.

HUGH ALEXANDER

When it comes to seniority in scouting, Hugh Alexander, the Phillies Special Assignment Scout, is the leader without much doubt.

Alexander, who has spent eight of his 10 years with the Phils in his present capacity, has been a big league scout since 1938.

Signed as an outfielder out of 11th grade by the Cleveland Indians in 1935, Alexander spent one and a half years in the minors before being called up to the majors. A righthanded hitter with power and speed, his career was wiped out by an accident while working at an oil well. His left hand was severed.

The accident occurred Dec. 6, 1937, following his half-season with the Indians. Cleveland made him a fulltime scout the following year and he's been at it ever since then.

His very first signing for the Indians was pitcher Allie Reynolds.

After 14 years with Cleveland, he moved over to the White Sox for four years and the Dodgers for 15 before joining Paul Owens in 1971.

Born in Buffalo, Mo., 7/10/17, Hugh resides in Clearwater, Fla., with his wife, Lois.

G. THEODORE HARRISON

G. Theodore (Ted) Harrison came to the Phillies with a perfect background for dealing with the day-to-day financial problems of a major league sports team.

His father, George F. H. Harrison, Vice President and Director of Finance, is the senior member of the Phillies Executive Staff, having been with the ballclub since December, 1946.

Ted Harrison received a B.S. in Accounting from Lehigh University in 1961 before serving as a Lt. j.g. in the United States Navy Supply Corps.

Harrison was a C.P.A. with Arthur Andersen and Company of Phila. for two years before joining the Phillies as Controller in February, 1968. He was promoted to Secretary-Treasurer in January, 1973.

Born October 5, 1939, in Camden, N.J., he attended Haddonfield Memorial High School and graduated in 1957. Ted is married to the former Barbara Baumner; they have four children, David, Matthew, Mark and Stephanie.

The Harrisons reside in Cherry Hill, N.J.

RULE ON RAIN-HALTED GAMES

Two rule changes concerning suspended games and protested contests are in effect.

Rules 4.11 and 4.12 were altered creating suspended games instead of reverting to a prior inning when rain forces the umpires to terminate play under certain circumstances.

If a game is called while an inning is in progress and the visiting team has scored one or more runs to tie the score or take the lead, the game will be considered suspended rather than ended.

The rule on protested games (4.19) now reads: "Even if it is held that the protested decision violated the rules, no replay of the game will be ordered unless, in the opinion of the league president, the violation adversely affected the protesting team's chances of winning the game."

PHILLIES HISTORY

The first game in National League history was played in Philadelphia in 1876, the Philadelphia Athletics facing Boston on April 22 at 25th and Jefferson Streets. The Philadelphia entry, however, didn't last the season and so the Quaker City was without representation in the National League until 1883. Alfred J. Reach purchased the Worcester, Mass., club and moved it to Philadelphia, adopting "Phillies" as the official team name, a takeoff on Philadelphia or Philly.

The Phillies' initial game was a 4-3 loss to the Providence Grays, before 1,200 at Recreation Park, 23rd Street and Ridge Pike. Bob Ferguson managed the Phils in that first game, May 1, 1883.

In 1887, the Phillies moved into a new "magnificent park" at Broad and Huntingdon Streets, which was later to become known as Baker Bowl (capacity 15,000). An estimated 20,000 jammed the park for the first game on April 30 and saw the Phillies maul the New York Giants, 19-10.

One of baseball's biggest disasters struck the Phillies in 1903. Twelve persons were killed and 232 injured when the left field bleachers collapsed after fans had climbed to the top row to get a better view of a near-by fire.

The Phillies' owner in 1910, Horace Fogel, started a personal campaign with the press to change the name of his club. "The name Phillies is too trite and Quakers (as they were sometimes called) stands for peaceful people who will dodge a fight. We're not going to be that way. We're going to fight. Why don't you fellas call the club the 'Live Wires'," Fogel pleaded of the press. His efforts went for naught.

Baker Bowl, which had a short right-field line (280 feet) and a rather deep left field (341) became the site of the World Series in 1915 as the Phillies won their first league title. The Boston Red Sox, however, took the World Series, four games to one.

In 1927, the Baker Bowl wooden bleachers again gave way, and the Phillies, through the graces of Philadelphia Athletics' owner John Shibe, were invited to play at Shibe Park until the necessary repairs could be made. "I remember our first game in Shibe Park very well," recalled the late owner Gerry Nugent. "It was the day Lindbergh arrived in Paris."

Back to Baker Bowl went the Phillies, who played the first Sunday baseball game in Philadelphia there in 1934, losing to Brooklyn, 8-7.

The Phillies moved permanently to Shibe Park on July 4, 1938 after 51 years at Baker Bowl. The Phils lost the first game to Boston, 10-8, but came back behind the pitching of Claude Passeau to win the nightcap, 10-2.

Late in 1943, the Phillies were sold to R. R. M. Carpenter, Jr. Between Reach and Carpenter, nine others owned the club. To stimulate interest in the club, a contest was conducted to find a nickname for the Phillies. For 1944 and 1945, the club was known as the Blue Jays, although they still maintained the official "Phillies" title.

Seven years after Carpenter took over, the Phillies rose to become National League champions, second time in club history. Again, the World Series crown eluded them, as the New York Yankees swept the series, 4-0.

Bob Carpenter, after 29 years as the club president, moved up to Chairman of the Board on Nov. 22, 1972. He was succeeded by his son, Ruly Carpenter, as president.

After 32½ seasons in Shibe Park-Connie Mack Stadium in which the Phillies won 1,195 and lost 1,328, the club moved into the spectacular new Veterans Stadium for the 1971 season.

The Philadelphia Athletics won the first game at Shibe Park, 8-1, over Boston on April 12, 1909. The Phillies won the park's finale, 2-1 over Montreal on Oct. 1, 1970, a 10-inning battle.

In the first game played in the 56,731 seat Veterans Stadium, the Phillies defeated the Montreal Expos 4-1 on April 10, 1971.

DID YOU KNOW

The biggest inning in Phillies history came in the sixth inning against the Cubs, July 21, 1923, the first game of a double-header, when they scored 12 times.

RULES OF INTEREST

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING AN EARNED RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all hits by the total times at bat (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction).

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING PERCENTAGE OF GAMES WON AND LOST: Divide the number of games won by the total games won and lost.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

SUSPENDED GAMES: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

TRADING REGULATIONS: Players are available on waivers in reverse order of standings, at the time waivers expire, if more than 30 days after start of the season; otherwise in reverse order of standings at close of preceding season.

INTER-LEAGUE TRADES: Midnight, five days after the World Series—Midnight, night preceding the last scheduled day of the Winter Meetings—No waivers are necessary. Plus Feb. 15 to Mar. 31, 1981.

TRADING WITHIN LEAGUE: Midnight, the last day of the season—Midnight, June 15—No waivers necessary. Midnight, June 15—Midnight, the last day of the season—League waivers necessary.

DETERMINING THE MAGIC NUMBER: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DOCTORED BAT: If a filled or "doctored" bat is used, the player is to be ejected from the game and suspended three days. Any balls hit by an illegal bat do not count. If the umpire sees the illegal bat before it is used, he issues a warning, but there is no penalty.

DETERMINING A "MAJOR LEAGUE YEAR": 172 days constitute a full year in the major leagues.

GAME WINNING RBI: The RBI which gives a club the lead it never relinquishes.
